CAPTAIN'S CORNER

A BRIEF MESSAGE FROM OUR ADMINISTRATION

Dear Pirate Community,

I hope this letter finds you and your family healthy and safe as we approach the holiday season. Hard to believe that the first semester is coming to a close and that our students are preparing for their mid-term and progress monitoring exams. Our staff and students have been incredibly busy and it has been amazing to watch the progress that they are making in and out of the classroom. Please monitor your students progress in FOCUS and continue to encourage them to finish all of their work as we close the second grading period of the semester.

Congratulations to our very own Mrs. Cassie Ordamandy who was chosen as one of the five finalists as the Teacher of the Year (TOTY) for Charlotte County Public Schools (CCPS). Mrs. Ordamandy has been a wonderful member of the science department for the past six years teaching both Environmental and Marine Science as well as being the Environmental Science Club sponsor. The high level of achievement earned by Mrs. Ordamandy's students is a direct result of the love and passion she has for both teaching and student learning. The TOTY for CCPS will be chosen in January of 2024. Best of luck to Mrs. Ordamandy throughout the selection process!

Two reminders for our students and families. First, I appreciate the effort our community is making each day to ensure that our students arrive on-time and prepared for learning each day. Please continue to make it a priority to leave early enough and not miss any instructional time. Second, at this time all students should have parking passes. For students that are in need, parking applications are available in the student office. Parking cost \$45 and requires a copy of a driver's license and proof of insurance.

Seniors, half of the school year is almost over. Remember, it is never too late to "get involved and stay involved" at school. There are many senior activities left on the calendar. For more information about those senior activities, please see your class sponsor Mrs. McIntosh in the CIC.

I want to wish everyone in our Pirate Community a wonderful holiday season! I am looking forward to sharing all of our successes with each of you throughout the second half of the school year!

Sincerely,
Louis M Long

PCHS ALMA MATER

Hail to Alma Mater,
We sound our hymn to thee.
Inside thy walls we can achieve
Whatever we can be.
Palm and pine around us,
Near sand and sun-kissed shore,
Our loyalty we pledge once more
We sing in harmony:
Port Charlotte Hail to Thee.
