

**CHARLOTTE VIRTUAL SCHOOL ENROLLMENT – School Year 2021-2022:
IMPORTANT INFORMATION FOR PARENTS/GUARDIANS**

Charlotte Virtual School (CVS) is currently accepting applications for enrollment in the 2021-2022 school year. The enrollment period will remain open through July 2, 2021. Parents and guardians interested in enrolling their child in CVS are to visit the CVS website for additional information and to access the required online application: www.yourcharlotteschools.net/cvs

ATTENTION CURRENT CVS STUDENTS & PARENTS/GUARDIANS: While the enrollment process will remain open through July 2nd, all current CVS students who have NOT declared their intent to remain enrolled with CVS for the next school year, **via the online enrollment application**, will be automatically enrolled at their assigned brick-and-mortar school to receive in-person instruction for the start of the 2021-2022 school year. **Parents and guardians of currently enrolled CVS students must complete the on-line enrollment application no later than Friday, April 16th. Failure to do so will result in an automatic return to in-person instruction at the brick-and-mortar school for the 2021-2022 school year.**

All questions regarding CVS enrollment procedures for the 2021-2022 school year are to be directed to Charlotte Virtual School. Parents and guardians may email CVS at cvs@yourcharlotteschools.net.
