This is Steve Dionisio Superintendent of Charlotte County Schools.

I am calling with a message for staff, parents and students.

As we conclude our ninth and final week of online learning for this school year, I want to once again thank all of you for your patience and hard work.

What you as a student body, as parents and as a staff had to endure and overcome during this time is simply remarkable.

Please know there is no group of individuals I would want to have had go through this difficult time with. You are amazing.

Over the next few weeks, please continue to monitor the District and School websites for updates on summer happenings and the 2020-21 School Year.

As soon as guidance comes from the State about a decision on school for next year, I will pass that information on to you as well as how it will be handled in Charlotte County.

Again, I cannot thank you enough for your patience and cooperation during this time.

Please have a great summer and stay safe.
