

## Grading Policy

Students will be graded using a total points system in math. Under this system, all assignments will be assigned a predetermined point total which will count towards the overall quarter grade.

Students will have a warm up to complete every day when they arrive to class. These warm ups are often taken as a grade to assess skills already taught. Students are allowed to use their notes on all warm ups.

Students will be permitted to retake any quiz or test from the current marking period during math homework help. However, they must attend two math help sessions. The first for extra help on a concept/reviewing the assessment and the second to reassess the skill.

Register to receive text messages with dates of upcoming quizzes and tests. To enroll, please text the number 81010 with the message which pertains to your class:

## Mrs. Kunder Pre-Algebra and Algebra I Policies and Procedures

### Behavior Policy

Students are expected to come to class prepared and ready to learn. Disruptive or disrespectful behavior will not be tolerated in class. We follow L.A. Ainger's Cougar TRACKS Mission Statement to promote Trust, Respect, Achievement, Character, and Kindness.

Discipline will vary depending on the severity of the behavior.

### Homework Policy

Late homework will not be accepted unless absent.

Students can send text messages to me through Remind for homework help, as needed.

Homework without work shown will result in a 0. No exceptions. Students can even submit homework via Google Classroom by taking a picture of their work and uploading it.

Homework is due at the beginning of class. If they cannot locate the homework, it will result in a 0. *This is done to avoid copying.*

## Math Homework Help

Math homework help is a FREE service we offer. It is designed to give students a quiet place to do their math work with assistance, as needed. They do not need to sign up in advance and they can attend as many sessions and days as they would like. ***However, if students attend, they MUST come prepared with something to work on from their math class.***

## Math Homework Help Days/Times

*\*I do NOT offer extra credit. Therefore, math help is a student's way to raise their grade.\**

## Google Classroom

Google Classroom will be updated daily to include warm ups, classwork, homework, and lessons from class.

**If your child is absent, they are required to make up the work they missed.** They can access Google Classroom from home and complete any assignments needed.
